
Do you want to be a teacher?

Project TEACH is part of a Title III career-ladder program that will make 20 scholarships available to students demonstrating financial need and the desire to be a bilingual/ESL teacher.

Special features include:

- Cohort groups and mentorship arrangements with students and faculty to enhance and maximize student retention.
- A Coordinator at Donnelly College to provide support, and a Project Manager at KSU to provide guidance to the Coordinator.
- Proven model of successful implementation for recruitment and retention of targeted participants.

Project TEACH

(Teacher Education Advocates for Culturally-diverse Hispanic populations)

Kansas State University, in collaboration with Donnelly College, is pleased to announce the availability of four-year scholarships to future teachers.

Project TEACH was designed with students' needs in mind. We will recruit, enroll, and orient 20 high school graduates to begin coursework at Donnelly College and complete a Bachelor's Degree in Education from Kansas State University. This progression model project will incorporate two years of education at Donnelly College, and two years at KSU*, with the end result being a degree in Elementary or Secondary Education, with an emphasis in ESL education.
